Series: The Family Tree / Speaker: Pastor Brian

1. As crazy or dysfunctional your family tree may be, what are some positive things you have learned from it? What abilities or positive character traits have been passed down to you?
2. John 3:16 may be the most quoted scripture in the whole Bible. Why do you think that is? What does it mean to you? What does it mean for Christmas?
3. Unmarried and pregnant, Mary's obedience to God put her reputation, future, and very life at risk. What (if anything) have you risked to follow God's call for your life? Share two ideas of your life that you are afraid to trust him with. What does obedience look like for you now and going forward?
4. Endless hope and relentless joy started with a baby boy. What are ways that you can display this message this Christmas season and beyond?
5. God used Joseph and Mary to have a baby boy who would bring life to everyone who believes. Knowing you have life in Jesus, think of ways that you can bring life to a situation or to someone.

*Feel free to use the above sermon talk questions in your group this week to spark discussion! Each week, we will provide you with new questions. You can also find these questions at washingtoncma.org/groups.
