### **Sermon Talks:**

1. What caught your attention in this week's service? Was there something you had never heard before or something you had a question about?
2. Was there anything in this week's service, referenced scriptures or testimonies that challenged the way you **worship** through intentional praise, prayer and pursuit of unbelievers? Explain.
3. How might this week's service, referenced scriptures or testimonies impact the way you **serve**, whether in our church, in your community or in our world? Explain
4. As we seek to **connect**, first and foremost with God and secondly with our community here at Washington Alliance, does this week's service, referenced scriptures or testimonies spark any new ideas about the importance of connecting and how to go about it? Explain.
5. Was there anything from this week's service, referenced scriptures or testimonies that you would like to take action on in your own life this week, or was there something that you would like to pursue through prayer?
