Sermon Talks:

1. What caught your attention in this week's sermon? Was there something you had never heard before or something you had a question about? What were some key takeaways?
2. Can you think of a time where you really needed to ask for help for something but did not and failed miserably? What happened? Did you learn your lesson?
3. Sanctification is one of these big Biblical words that can be a little intimidating. It simply means to be set apart for the purpose of being used by God. How often do you think about God using you? Do you feel you have untapped gifts that are not being used by God? What are they?
4. There is an ancient story of an Indian who accepted Jesus. After he did, he said that he had a struggle in him like two dogs fighting. When asked which dog won, the Indian said, "The dog that was fed the most."
 - Is there a struggle in you? Maybe a struggle between the things of God and the things of Satan?
 - Which one are you feeding the most?
5. Is Jesus Christ Lord of all in your life or not Lord at all? Examine areas in your life that you need to give over to Him.
6. In Matthew 17:14-21, we see that it is important to believe before we see (when we put our belief before our sight, our sight reflects our belief).
 - How would you define faith?
 - How does the Bible define faith? See Hebrews 11:1-3, 6.
7. Exercise Biblical faith this week by taking God at His word. Let God increase your sight by first increasing your faith. May He give you the faith of a mustard seed to move that mountain you are up against.
