The Good, The Bad, and The Ugly

Pastor Brian Greenleaf, Lead Pastor

Sermon Talks:

1. What caught your attention in this week's sermon? Was there something you had never heard before or something you had a question about?
2. Can you think of a time when you lowered, or altered, the standard to give yourself a better opportunity to succeed?
3. What do you believe was causing the people of Judah to give God blemished sacrifices? In what ways can even making small compromises lead someone away from God?
4. Malachi challenged the priests to the fact that they were showing contempt for the name of God and abusing His table.
 - How do we show contempt for God's name?
 - How do we abuse the Lord's table?
5. What is different about the Old Testament "Table of the Lord" (Malachi) and the New Testament one (1 Corinthians 10 and 11)?
6. Read 1 Corinthians 11:23-26. What key truths did Paul teach them concerning the Lord's Supper?
7. Worship is more than acts one might perform confined to a building on a Sunday. For the Christian, life is worship (see Rom 12:1-2). In what way are we sometimes guilty of worshipping God wrongly?

Pray about it:

- Ask God, through His Holy Spirit, to reveal sin in your life.
- Pray for a new and fresh attitude of respect and reverence for the Lord's table.
- Seek the help of the Holy Spirit to prepare you for fasting and prayer during Holy Week.
