While I think most people look at the month of June as the beginning on vacation time and relaxing summer days, there's a lot of great stuff just starting up in the month of June to shake things up!

**Mission Washington** starts on June 18 through the 23rd and is a week where students will help serve the community, build relationships, and have a ton of FUN! During the day students will go out into the city of Washington and participate in renovation & beautification projects to serve our community. After the work day students will be a part of evening sessions made up of games, music, and dynamic Christian speakers!

It is always so encouraging to see our students put a ton of effort into whatever project is coming their way! They take on the challenges head on and don't let the heat of summer stop them from getting the job done! We are pumped to see what the Lord has in store for our students and the city of Washington this year!

If you are available to volunteer that week, we can always use some adult volunteers!

**Adventure At The Park** is an awesome adventure for kids age 3-12 completed 6th grade. This summer we have another 4 nights planned filled with fun, friends, and learning about God. Plan to join us June 27-30 for an adventure in Washington Park. This year our theme is Pool Party: Making a Splash with Jesus! Kids will learn what a difference He will make in their lives when they are willing to dive in with Him. We will even be having our very own Family Pool Party on the last night, Friday, June 30th at the Washington Park Pool.

### From The Pastor (continued)

"Bonus Day of VBS" - Sunday, July 2nd at Washington Alliance Church. Kids and their families are invited to come for a special 10:00am service and picnic. We will have even more VBS fun for the kids and parents will get to attend our worship service. The picnic after will include some other fun surprises, too! You won't want to miss it!

Also starting up this Summer is **Adventure in the Yard!** We will be doing small and simple 3-day Neighborhood Vacation Bible School in July! We need HOST HOMES. You will have the option of choosing ANY 3-DAYS in July - Just tell us when! You can choose to help a host or be a host home. More details to come!

There are so many opportunities to serve our community, our church, and our God this Summer. So, when you find some free time between beach vacations and pool parties, make sure to come out and serve!

## JUNE EVENT HIGHLIGHT

Connect groups provide a community who come together with the purpose of intentional growth, outreach, building relationships, having fun, and being equipped in an environment of support, encouragement and accountability. Let's live life together! View and sign up for a group using the QR Code!
