Living In Harmony

Pastor Corey Miller

Sermon Talks

1. Pastor Corey compared the church to an orchestra. In what ways do you see your own church community playing in harmony? Where do you see areas of "discord"?
2. Paul points to Christ as the ultimate example of selflessness. How does knowing Christ "did not please himself" impact how you interact with others?
3. Pastor Corey talked about Christ's "radical acceptance" of both Jews and Gentiles. Who is someone in your life that you've found difficult to accept, and how can Christ's example help you in that situation?
4. Paul's ministry was a "living example" of selfless unity. How can we make our own work or daily routines an act of worship to God?
5. What ways can you share your time, talent, or financial resources with others in your community?
6. Paul asked the Roman Christians to "strive together" in prayer. What does it look like to "strive" in prayer for someone else?
7. How can we encourage our fellow believers to respond to tragedy with unity instead of division?
8. Take some time to reflect: Are there things in your life that you need to reevaluate whether they are doing you good or harm? (TV, Radio, Social Media, etc.)

Pray about it: Meditate on God's Word (Romans 15) and this week's message.

Adoration: What can I praise God for in light of what this teaches me?

Confession: What sin can I confess because of what this teaches me?

Thanksgiving: What can I thank God for in light of what he has done?

Supplication: What do I need to ask of God in order to grow in light of this?
