Sermon Talks

1. Read Colossians 2:8-15 as you prepare to work through the sermon talks.
2. Think of a time when you were taken captive by someone or something that was deceptive. What was so enticing about it? Were you able to recover from it?
3. What are some ideas, messages, and pressures in the world today that attempt to pull believers away from a Christ-centered life? What does it look like, in practical terms, to be taken captive by these worldly thoughts or arguments?
4. Just as Jews had to cut away the flesh (circumcision), we are to cut away the “sins of the flesh” as a sign of the new covenant. What do you need to cut away because you belong to the Lord?
5. How do verses 11 and 12 speak to a new identity in Jesus?
6. How has Jesus given you a new heart? How has your view of sin changed?
7. What does forgiveness in Jesus mean to you? How can living in the freedom of forgiveness display the Lordship of Jesus in your life?
8. Verse 14 talks about God canceling the record of charges against us and nailing it to the cross. Do you ever struggle with feeling like you still owe a debt to God? How does looking at the cross change that feeling?
9. What does daily victory over fear, sin, or shame look like when we rely on Christ’s power instead of our own?
10. Allow the Holy Spirit to guide you in a time of prayer. What is one specific area of your life where you need to apply the “fullness of Christ” this week?
