What Is Your Life?

Pastor Corey Miller

Sermon Talks

1. **Finish the sentence for yourself:** “If I’m completely honest with my time, energy, and thoughts right now, _____ is my life.” What makes that specific area so central in your current season?
2. The sermon mentioned that good things—like parenting, careers, or personal goals—eventually change or end. When have you experienced a season or identity shift ending, and how did it affect you?
3. **Read Colossians 3:1.** Why is it important that Paul starts with what Christ has *already done* rather than giving a command to try harder?
4. **Read Colossians 3:2.** What does it look like to set your mind on "things above" without checking out of your daily responsibilities?
5. **Read Colossians 3:3.** How does knowing your life is "hidden with Christ" give you security when you feel tired,overlooked, or stuck?
6. **Read Colossians 3:4.** What is the difference between Christ being an *addition* to your life versus Christ being *your life*?
7. **The Compass Test:** Where does your mind naturally drift when you're idle? What does that reveal about your focus?
8. What good gift (family, career, health, plans) are you asking to hold a weight it was never built to carry?
9. **Next Step:** Which habit do you need to practice most this week?
    - **In failure:** Say out loud, "I’ve already been raised with Christ."
    - **Before decisions:** Ask, "Where is Christ in this?"

Pray about it: Meditate on God’s Word (Colossians 3:1-4) and this week’s message

Adoration: What can I praise God for in light of what this teaches me?

Confession: What sin can I confess because of what this teaches me?

Thanksgiving: What can I thank God for in light of what He has done?

Supplication: What do I need to ask God in order to grow in light of this?
