Sermon Talks:

1. Knowing that we were meant to be in a close and intimate relationship with God, what is the current state of your relationship with Him? Are you feeling more estranged or close? What things in your life might be affecting your connection to the Father?
2. In what ways do you still see the unrenewed mind at work in you? In what ways have you seen the Holy Spirit change the way you think?
3. Have you been reconciled back to God? Are there any areas of your life right now that you need to confess before Him and allow the blood of Jesus to purify?
4. How does the fact that Jesus is both fully God and fully man impact your walk with the Lord on a daily basis?
5. What is the significance in God being the One who reconciles us through Christ? What then is the aim of living a life of obedience to God?
6. What things do you do that help to ensure you continue in the faith and the hope of the Gospel? What are some things you could start doing that would encourage this even more?
